to the Councillor for an
advance of Rs 500 on
the grounds

(a) that the question of
his deputation all the

(b) that both his bills
were being delayed

I find from Mr R. Iyer's

that out of the madjusts

he has deposited Rs

he has also produced
the receipt and may
pay the balance of

I agree that he has

The delay in drawing
orders on a recommendation for a

not a sufficient justification either for withholding an immediate advance or for an abbreviation for a fresh advance — Mr R. Memo

Transferred to the Secretary to Government, Revenue and General Departments, in continuation of Conservator's letter No. 3118/582 dated the 24th March 1901. The matter has been pending disposal for the past seven months. As it is undesirable to make an advance ~~pending~~ subject to adjustment, it is hoped the Rev and General Secretary will kindly obtain early orders regarding the allowance recommended to M. Ramaswamy Iyer ~~Mrs I am satisfied is not to be recommended for award~~ of ~~Govt.~~ Second Councillor

Office Note

This file treats of three matters, viz, —

(a). Regarding the Mysore and Canara forest boundary

(b). Regarding certain expenses incurred by Mr Ramaswami Iyer in connexion with the above.

(c). Regarding a special deputation allowance to M Ramaswami Iyer of Rs100/ per mensum.

In July 1900 Mr Mullins wrote to the Conservator of Forests informing of his being deputed by

the Madras Government to survey (before 27th February 1901) the Mysore South Canara boundary as settled in 1880-1881, and asking for certain assistance. As there was no previous information regarding this survey, the Residency was informed of this, and was asked the nature and the purpose of the survey. It was also suggested that a Durbar Official might cooperate with the Madras Surveyor. ~~Vide Section I~~

The Residency replied that this survey was prepare for to ~~facilitate~~ the theodolite survey contemplated by the

Govt of India. The suggestion of the Madras Govt to depute a Durbar Officer to cooperate with Mr Mullins to make the survey, and to leave these two officers to settle details, & put up a number of marks between the cairns &c ~~It was also~~ The Mysore Government was besides to bear a moiety of the cost.

In reply the Mysore Govt pointed out that the work had already been commenced by Mr Mullins, and would soon be far progressed so that the deputation of a Mysore Officer would not affect much Besides

the Durbar ~~would~~ feared that this survey would open points for dispute in which the Mysore Govt was not interested, and that it considered the settlement of 1880-1881 as final.

The Resident demurred on this point and said that no such opening up of disputes was intended, - and that it would not be improper to withdraw the offer of the deputation of a Mysore Official. The Durbar agreed to this noting however that it should strictly be limited to clearing the boundary line and repairing the cairns

Now the Madras Govt considering the enormous cost of the undertaking confined the work to mere perambulating the line.

Mr Ramasami Iyer assistant Conservator of the Chittaldroog District was asked to do this work

While in middle of this work Mr Ramasami Iyer pointed out the difficult nature of the work and was of opinion that their work of the survey would not be identical in every particular with the settlement of 1880-81 regarding the Mysore South Canara boundary

(6)

This point has been addressed to the Resi-dency, on which a reply is awaited still

{vide Section I No 30}

[Meanwhile the officers deputed for the work have submitted their reports - which closes Section I of this file]

It has been noted above that Mr Rama-swami Iyer had been deputed for the work of this survey in question He incurred certain expenses which require sanction

These bills may be sanctioned after check-

Hyn

6/9/4

When Mr Ramaswamy Iyer was given this special duty, he pointed

out the great expense he was put to, and begged for a special deputation allowance of Rs 100/ in addition to the usual malnad batta. In this the Conservator of Forests in Mysore concurred, and supported his claims. The 2nd Councillor also was of opinion that the allowance claimed ought to be given, and the Dewan has given his sanction as early as 7-4-01.

I am directed to forward herewith a petition dated 24th March 1901 from Mr. Ramaswamy Iyer, Assistant Conservator of Forests on special duty, praying for the grant of a deputation allowance of Rs 100/- per mensem during the period he is employed in connection with the delimitation of the Mysore-Madras boundary.

2. In reply I am to say that the Secretary to Government, Forest Department, recommends that a deputation allowance of Rs 100/- may be sanctioned to Mr. Ram aswami Iyer Asst Conservator on special duty, with effect from the 4th February

This is a Political & Pol matter - Please therefore place this before the Dewan. I find that Mr R. Iyer deserves an allowance but this is a question whether they ought not form part of the cost of delimitation between the Madras Govt

30/3/01

Mr Fraser can consider whether this question as it might lead to a proposal from the Madras Govt. the salaries with allowances of both the persons should be borne equally by the two Governments. A note to this effect should be put up with account in addition to the usual clearances. Submitted 30/3/01

The file relating to the deputation of Mr Ramaswamy Iyer on boundary duty with Canara is being dealt with in the Genl. Deptt. - May this letter be transferred to that Deptt?

Sir,

I have the honor to report that in obedience to the Government order no: 413/Ft. F. 3-1900 dated the 5th January 1901, I arrived at Hulikal on the 7th February and have been since working with Mr Mullins, Special ~~Forest~~ Settlement officer of Malabar and South Canara in the identification of the frontier boundary.

2. As you are personally aware, the special duty demands much physical exertion and camping in the

the interior of the thick unhealthy ghaut jungles far away from roads and villages. The cost of carrying my baggage, procuring supplies and maintaining my camp establishment is very high. I am also obliged in the interests of my work to feed some Government officials and other persons who have no means of getting their food in the Forest

3 In consideration of these circumstances I request that you will be kind enough to allow me a deputation allowance of Rs 100/- a month with effect from the 1st February last and enable me thereby to recoupe the heavy expenditure which I am obliged to incur on the frontier, and which my batta cannot cover.

I have the honor to be
